i. Brother Britton stated that they're just waiting on the deadline, June 5th, to begin reviewing applications. He stated that he is not sure how distribution of the scholarship information has been from the organizations within the community to potential applicants with the pandemic going on but hopefully they've still been able to reach our target audience.

ii. The Foundation set aside the same amount as last year which we believe is \$5,000 so that being covered will not be an issue

V. Other Topics?

a. B&W Ball

i. There's been discussion between Brother Brown and the venue regarding the stay-at-home notice for Travis county that will go through the new date for the event

ii. Brother Brown confirmed with the venue that we no longer have any obligation to the venue to proceed with the event or pay any balances so that contract was able to be voided. We'll look at a vote in the upcoming Fraternal year to decide on whether or not we'll have a B&W ball for the year

iii. Brother Dudley mentioned that we may have to look at reimbursements for table purchases and ads or sponsorships depending on the decision from the Foundation.

iv. Brother Scruggs stated that that process is already in place

b. NPHC

i. Brother St. Julien stated that there are no new updates at this time

ii. Brother Reid Jr. asked if they will do anything for the Ahmaud Arbery tragedy

iii. Brother St. Julien said that the president wants to do something but it is still in the works

*Brother Dudley asked if we'll have a June chapter meeting

- Brother Polemarch stated that yes, there will be a chapter meeting in June and unless we receive any information from the Grand Chapter then we'll continue to move forward with our current slate
