April 26, 2020

Greetings **Brothers of the Southwestern Province:**

I pray this memo finds you all blessed beyond the desires of your hearts.

The postponement of the 84th SWP Council is still in effect and the rescheduling dates have yet to present itself. Therefore, there are a couple options available.

Brothers can now go to the SWP website, click on the 84th's banner and go to the link to obtain your reimbursement.

Another option is to do nothing and allow your funds to be carried over for the 85th Province Council's registration in Jackson, MS in 2021. SWP KOE, Ryan Gilner, has the entire listing of those that are registered for the 84th and will maintain the listing for those that will use this option.

For planning purposes, logistically and budgetary, please make your decision by June 1, 2020. After that date, the 84th's registration funds will carry over for the 85th's registration.

Please keep your families and yourselves safe. Stay prayed up and check on others regularly.

Yours In The Bond,

A handwritten signature in cursive script that reads "Theron A. Hightower".
